

The International Museum of Cultures

And The Scriptorium presents:

## The Scrolls Project: Indefinitely Extended by popular demand!

This is a unique exhibit that contains an entire set of the Tanach, the Jewish Old Testament, written in Hebrew on traditional scrolls. There are also displays of artifacts found on archaeological digs in Jerusalem and other areas of the Middle East. Mr. Gary Zimmerman is not only the curator for this exhibit of scrolls and artifacts, but has also made himself and his staff graciously available for group tours and special lecture events. Group rates are available for groups of 10 or more! (Regular admission: \$5/adult, \$4/child over the age of 3).

Make plans now to be here for the Passover event that Gary Zimmerman and his staff will host, tentatively scheduled on Thursday 1 April 2010. Reservations are required and tickets will be \$10/person. Keep checking our website and Facebook page for updates and event info!
